## DESCRIPTION

It is a modular system consisting of shelves and rods of different sizes. The system stands thanks to a central base in which you can alternate fixed shelves to the wall with floating shelves, providing strength and flexibility to the structure at the same time. It's a very versatile collection that allows installation in any position to the floor or to the ceiling.

Nomon has an online Única shelving system configurator at the following address:

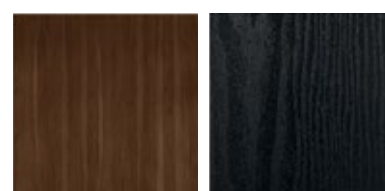

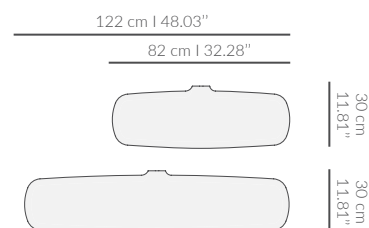

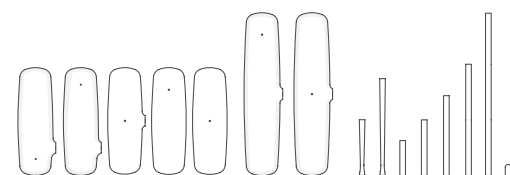

<https://nomonhome.com/configurator/model/estanteria>

## MATERIAL

**Rods & terminals:** Natural solid walnut or black stained ash veneered.

**Shelves:** MDF natural walnut veneered top or black stained ash veneered.

Manufactured in Spain following artisanal methods with natural solid walnut.

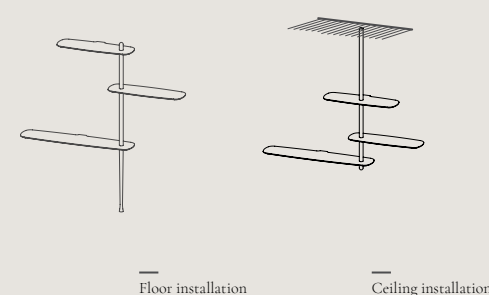

Walnut Black ash

## CARACTERÍSTICAS

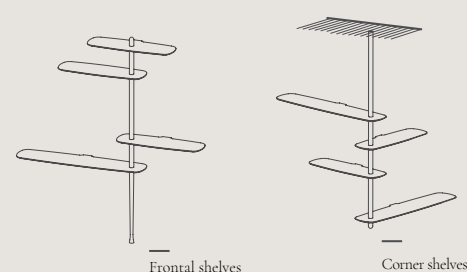

### 1. FLOOR AND CEILING INSTALLATION

It can be installed on the floor or suspended from the ceiling, alternating freestanding and fixed selves.

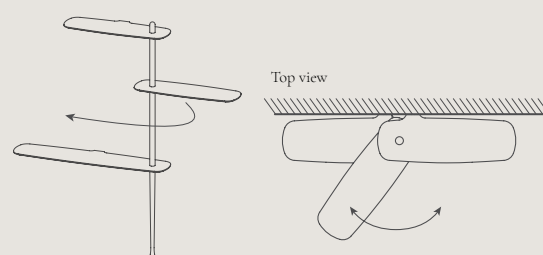

### 2. FRONT OR CORNER SHELVING

Allows installation on several positions, combining with flat angled walls.

### 3. FREESTANDING SHELF

The system allows alternating fixed and freestanding shelves, which can rotate, providing additional functionality.
